

March 25, 2009

Dear Camp Summer Sunshine Parent/Guardian:

Greetings from Sunshine Corners! Spring has sprung but our thoughts have already turned towards summer. Please find enclosed our 2009 Camp Summer Sunshine information packet and registration materials.

In an effort to plan staffing and activities for our summer camp program, we are encouraging our families to register early this year. We have a special offer for those families who register by Friday April 17, 2009. **SAVE \$25 OFF YOUR CHILD(REN)'S REGISTRATION FEE.** Whether you are reenrolling or a new camp family, you will save \$25 off the registration fee for each child enrolled in Camp Summer Sunshine by this date.

Our Camp Summer Sunshine program offers a variety of activities for your child in a safe and well-supervised environment. Your child will have the opportunity to play outdoors, create amazing art projects, participate in clubs such as cooking, science, and sports, swim, bowl, make new friends and reconnect with old ones. Read the CSS information and make the decision for yourself. Decide by April 17th and save \$25!

Please read the enclosed materials. Call us at 687-8663 if you have any questions or visit our website at www.sunshinecorners.org for additional information and to see pictures of our previous summer camp program.

We look forward to hearing from you and welcoming your child(ren) into our summer camp program. Remember, register by April 17th and receive the \$25 discount on registration fees! Thank you.

Sincerely,

Linda Younger
Executive Director
